They Called Her “The Girl From North Dakota”

Kelly Kay Elvrum from Kindred, North Dakota, has been involved with Quarter Horses since she was five weeks old sitting in her infant seat on a stack of hay bales at Lee Selland's arena in Bismarck while her parents, Chuck and Kay, tended to various duties with their show horses. The “smell of horses” must have gotten into her blood then and her love of horses continues to grow each day. Christmas cards throughout the years featured Kelly, first sitting on a woolly pony, then leadline, walk trot, 13 and under to 2000 on her Superior Hunter Under Saddle horse, “Air Boone,” and his wins at the Toronto Summerama in 14-18 HUS and Showmanship.

Kelly has a strong appreciation for the ND Quarter Horse Association which provided to her and other youth participants, an atmosphere of support, education, encouragement and sportsmanship which allowed her to develop her skills and her dreams with her Quarter Horses.

Two years ago Kelly ventured out from the security of her Kindred home to compete at a National level which was necessary to continue to grow and learn. She has been under the guidance of Bruce and Sue Ellen Vickery at first based out of Indiana and currently Columbus, Ohio. The hardest part of this experience was leaving home months at a time to compete at major Quarter Horse shows across the country.

Some of her fondest accomplishments include:

Superior Youth HUS earned in one month with her 3-year-old, “Dazzlin Bay Larry;”
1999 11th place Hunter Under Saddle at the AQHYA World Championship Show
with Dazzlin Bay Larry;
1999 All-American Quarter Horse Congress finalist in 15-18 Youth HUS, Finalist
Non-Pro
3-year-old HUS Futurity; Finalist Millers 3-year-old HUS Futurity;
2000 Florida Gold Coast Circuit Champion 14-18- HUS;
HUS Winner Redbud Spectacular, Oklahoma City;
HUS Reserve wins at the Texas Classic;
2000 Circuit Champion 14-18 and Open HUS, Firecracker Circuit Tallmadge,
Ohio;
14-18 Western Riding Win at the Big A Circuit held at the 1996 Summer Olympics
arena in Atlanta, Georgia.

Also, on her 1997 National High Point HUS horse, “Heza Hi Beamer,” Kelly is nearing their Superior in Youth Equitation and Horsemanship. They are qualified nationally for the 2001 AQHYA World Show.

Her current horse in HUS, “Air Boone” Superior HUS, is also qualified nationally for the 2001 AQHYA World Show.

Last summer Kelly, “Beamer,” and “Harley” enjoyed their travels throughout the nation. However, a disadvantage of being so far away is missing the North Dakota shows and friends. The first season that Kelly was showing nationally everyone referred to her as “the girl from North Dakota.” This year her name was known but she still takes pride in her “North Dakota” title.

This year Kelly is a senior at Kindred High School. She will be competing in youth for two more seasons. Kelly, Chuck and Kay would like to thank all our friends in the NDQHA for their part in helping Kelly achieve her dreams. The love of Quarter Horses is a special bond we all share.

Thank you to everyone who participated in our shows!!!

Champion All-Around Senior Horse, All-Around Amateur, and Reserve High Point Gelding: Diane Sanders-Walsh & Dew It With Pleasure

Dew It With Pleasure (a.k.a. Dude) and I once again, through a lot of hard work, long show days, big show bills, and lots of missed "happy hours" with friends, won all-around in both the open and amateur divisions. Since I wrote a long (and I'm sure boring to most) biography on Dude last year, I will spare you the details this year and try to keep it simple. (Yeah, right!)

Dude is a PMU-line foal from Doug & Shirley Vesey's Dew Ranch. For many years, the Vesey's have bred horses with extremely good dispositions, and although I never planned on buying a weanling, I couldn't resist the five-month-old creature with the tiny ears that almost touched. In later years, those ears have been more descriptively defined as antennae. When Dude's antennae are up, watch out, because he's spotted some horse-eating booger somewhere (or more usually, everywhere!)

Dude and I have been extremely privileged to have had the help of two very good trainers. Both Jenna Filz and Scott Whitmore deserve a great deal of credit for what Dude is today, and although Dude was once again "home-schooled" in 2000, Jenna continued to help us from the rail.

Of course, there could have been no Dude and no horse shows without the support of my dearly beloved, DW, who reminds me constantly of how lucky I am to be a "kept" woman. That may be true, but if it is, shouldn't I then be entitled to a house keeper, gardener, and personal secretary?

Thanks always to DW, Jean, Deb, Dale, John, Jenna, Scott, Brenda, Wally, Kerry, Phyllis, JoDee, Anne, Kevin, Kevin, Teresa, Tony, Zach, Vicki, Jay, Cheryl, Jan, Janelle, Judy, Todd, Roger, Mark, Mary, Jerry, Lois, Susan, Susan, Keith, Joy, Dr. Roland, Karen, Sibley, Brian (a.k.a. Jethro with the buns of steel), John, Bob, Kris, Paige, Beth, Abbie, Andie, Rett, all the Simens, Amy, Peter, and all the other trainers and exhibitors who made the year 2000 North Dakota shows so much fun!

Champion All-Around Junior Horse

Jenna Fliz and Vested Asset

Vested Asset's (aka Zeus) short life has been loaded with adversity and makes for a bit of a story. I am therefore especially proud of Zeus' accomplishments this year. My husband, Scott, and I spent our Christmas break driving 3300 miles to pick up our yearling stallion prospect. I had only seen him on video but fell in love. By Good Asset and out of a full sister to Vested Pine, Zeus had the bloodlines of a great stallion and the movement to match. We arrived to find a 13 hand "yak" with cute ears. We took him home anyway. Once at home, a friend told us to "throw him back and fish for a bigger one".

Zeus turned out to be a natural, and in April, I took him to a show for experience. At the show, he became extremely ill. He spent over 2 months at the vet without ever getting a diagnosis. I finally took him home to treat his symptoms myself. (A year later, he was diagnosed with encysted small strongyles and promptly treated.) We did manage to limp through the futurities and ended up the 1999 ND Hi-Point Two Year Old Western Pleasure horse.

Following the show season, he earned a vacation. After less than 2 weeks of vacationing, Zeus crashed through a fence and impaled himself in the chest while playing with a friend. He was laid up until March, when he had surgery to remove the last piece of wood from his chest.

We rushed to "tune up" for the April circuit and despite our lack of training, had a respectable showing. Zeus also bred my 2 thoroughbred mares in April and May. This new job affected his mind as well as mine. (I decided stallion ownership was not for me). Zeus' antics prompted another surgery in June when he became a gelding. After a short transition period, he became a much happier horse. We finished the show season successfully, with our highlight being a first place in Junior Western Pleasure under judge, Steve Heckaman.

This fall Zeus' luck appears to have improved. He did not, however, get much of a vacation. Zeus prefers to keep busy and is working on adding Junior Western Riding to his class list in 2001. We look forward to competing again next year and wish the best to all of our friends this winter.

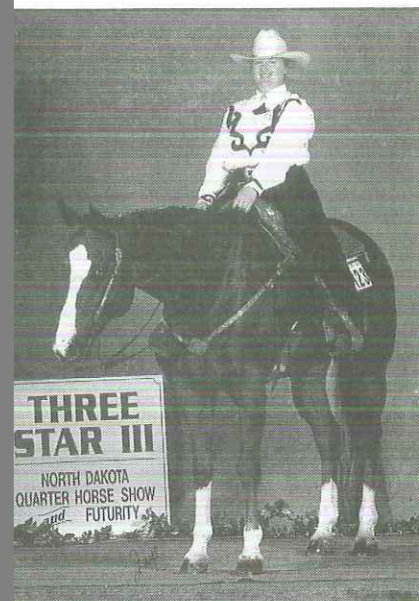

Reserve Champion All-Around Amateur

Cheryl Koble and Her Royal Heaven

During the summer of 2000, it became evident that Her Royal "Heaven" and myself shared the same passions in the show ring. We started to perfect our showmanship patterns and ace our trail obstacles. After countless hours, "Heaven" and I were contenders in showmanship, western pleasure, horsemanship, and trail.

I purchased "Heaven" from Tim and Nancy Hamlin, Holstein, IA when she was a 2 year old. Zippos Heaven Sent, a superior western pleasure stallion by Zippo Pine Bar, is her sire. I started showing "Heaven" as a 2 year old with success, earning points in western pleasure. After her 2 year old year, I realized that her athleticism

High Point Novice Amateur Elizabeth Block and Can Kicker

is a 9 year old 16.3hh gelding with a lope as disposition. This is "Can" and Elizabeth's showing together. He had been shown lightly in open and 4-H classes prior to the Block's owner-decided to compete in some open shows last year. The first part of the show season started out they ended up winning the year end senior high-point the Mississippi Melody show circuit. Completely blind in one eye and it was a challenge to get to the show ring environment. However, his patience, his trusting nature and mellow disposition before he came around. He has truly excelled in the open pen and the Block family couldn't be more

ould like to thank her mother and trainer, for all of her coaching, support and allowing me the opportunity to show Can these past couple of years. I would like to dedicate this award to her mother and father, Fred, for showing her the true meanings of hard-work and endurance.

Elizabeth were a bit rough around the edges in the beginning this year and they would like to send a big thank you to all of those who helped smooth out of the rough edges. Thank you to my mom, Vicki Kemmer, Cheryl Koble, Chuck Greenland, Paige Brockema, Sandy Abear, David Walsh, Jenna Filz, the Wohlin family, the mechanics and grounds people for helping us with accessibility, and last but not least our farrier, Tom Berger, for keeping Can and I on our toes. The Block family also like to express their appreciation of our neighbors who have followed Can and Elizabeth. Congratulations goes out to all of the other competitors and we look forward to next year's

Season's Greetings.

Champion High Point Novice Youth & Reserve Champion All-Around Youth Heather Hart and Thundering Review

Heather Hart with Thundering Review, earned the titles of both High Point Novice Youth All Around and Reserve Champion Youth All Around in the State of North Dakota and Reserve High Point Youth Western Pleasure (14-18) in South Dakota for 2000. "Thunder" is a 1998 gelding by Big Time Review, and out of a daughter of Two Eyed Twister.

Heather purchased Thunder in May of 1999 and won the South Dakota Rookie of the Year Award that same year. Throughout the 2000 show year, they earned several high point championships in Novice Youth Divisions and also received a Youth Performance ROM.

Heather is a sophomore at Roncalli High School in Aberdeen, South Dakota and plays Volleyball for the Cavaliers. She loves going to the North Dakota shows because the people are all so nice and she has made so many friends. The kids have made her feel so welcome.

Special thanks to Kara Lynn's mom, grandma and grandpa for their help and support. Couldn't have done it without her second "mom". (Kris)

Champion All-Around Amateur-Select Heza Rusted Zipper & David W. Walsh

Another show season has come and gone. The ground outside is covered in snow, time to sit back and reminisce on this year's show season. Rusty and I showed in more classes than ever before, expanding our repertoire with showmanship and more performance classes. These classes, of course, have been added to the Select Division; which we are actively supporting, in the hope that others will join us. I must admit that this year has been disappointing with regard to the numbers who have participated in the Select Classes. I know that

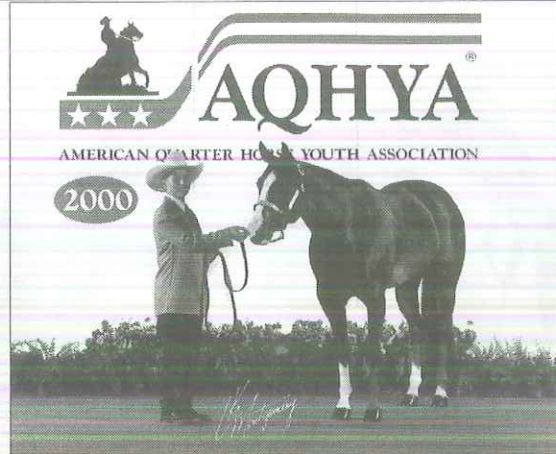

there must be many more members out there in my particular category - late comers to the show ring in need of classes which they can enter and be competitive. Come join us. Enjoy the Select Division, where "Senior Moments" are accepted and expected!

Reserve Champion High Point Novice Youth Bianca Lamb and Somebody Nifty

Well, didn't the year 2000 go by fast??? As most of you know, I got a new horse, Somebody Nifty, (aka, Nifty), by Smooth Town, 3X AQHA World Champion, in August of 1999. We had a rocky start in the beginning but we got through it without too many tears. The season ended with a couple of All-Around awards, a Reserve All-Around at the Canadian Nationals, and the NDQHYA Reserve Novice Youth High Point title. The 2001 show season will be my Rookie Year in 13 and under and I hope to do well in this competition. I would like to give a big thank you to the following people: Cindy and Sheldon Soderberg, our trainers in Red Deer, Alberta, my sister Felicia, my brother Lauren, my dad (for paying the bills!), the Schaff's, and most of all my mom (for putting up with all the hassles of showing throughout the summer). Also I would like to thank my horse, Nifty, for being a good boy most of the summer. Mom says he is the only horse she ever saw haul 16 hours through the night, unload, go into a class 20 minutes later, show all day and NEVER once pin his ears or get grumpy. Pretty Cool! Good Luck to Everyone in the year 2001.

**Champion All-Around Junior Youth
Zack Richardson and Creditors Image**

"And here I say to parents, and especially to wealthy parents, don't give your son money. As far as you can afford it, give him horses. No one ever came to grief—except honorable grief—through riding horses. No hour of life is lost that is spent in the saddle." Sir Winston Churchill

As a 12 year old from Gackle, ND, I agree that this statement, made by a famous statesman, is true. I've spent many hours in a saddle and feel like it was one of the best ways I could spend my time. I began the 2000 show season in a blizzard in Sioux Falls, SD in April. After some help from Dwain Junker of Fairbury, Nebraska, and listening carefully to his advice on riding and the logic behind it, I felt I was ready to show. I started out by winning Circuit champion in Showmanship at that first show.

Creditors Image, or "Babe" as we know her, is a 1994 sorrel mare out of Investment Creditor. Throughout the summer, we attended shows in North Dakota, South Dakota, Canada, Nebraska, and Texas. Competing at the Youth World Quarter Horse Show in Fort Worth, TX was the highlight of the summer. With some help and encouragement from Chris Brown, I learned a lot of Showmanship techniques that improved my performance.

The routine for the summer was to ride at home in a wide variety of weather and surroundings, try to remember the things I'd been taught, and practice, practice and more practice. We'd try to correct the things that didn't work and have fun with it when they did! I took "Babe" to a show nearly every weekend.

In August, "Babe" won a couple special awards which included both the Youth Show All Around, and the Open Show All Around Champion at the Nebraska Quarter Horse Show in Freemont, Nebraska.

My thanks goes to Dwain Junker and Chris Brown for helping me this season. I have a lot of respect for both of them and appreciate the time they spent with me. Thanks to all my friends that would watch and encourage me at the shows. Most of all, I want to thank my mom and dad for ALL the things they do to provide me with this opportunity. I'm proud to be a member of the NDQHA and appreciate the time and money people have donated to help make this possible for the youth of North Dakota.

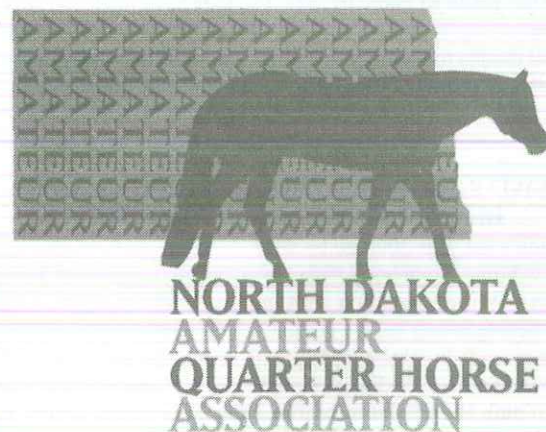

**Reserve Champion All-Around Junior Youth
Abbie Schaff and Hesa Charmin Scotch**

I am in fifth grade at Fort Lincoln School in Mandan. I enjoy basketball and volleyball in addition to riding and showing Charmin.

My mom and dad purchased Charmin from Myra Johnson of Bismarck, ND in Sept. 1999. Our first year in the show ring has been a lot of fun, but I have so much to learn.

Charmin knows his stuff, he as "been there and done that". For me, I need a lot of help. He makes showing and riding my favorite thing to do. This past year I have needed a lot of pointers and encouragement.

I want to say a very special thank you to my parents and to my grandma "Retts", for all their hard work, support and encouragement. I also want to thank Peter Frost for all his help. I wish everyone the best of luck in the 2001 show season.

**Reserve High-Point Amateur-Select
Janis Greenland and Custom Knox**

Four horses were cross-tied in the aisle when I entered the barn. The farthest one struck a royal pose as he examined the newcomer in his territory. Chet (Custom Knox) had me at "hello". Yes, I inspected his papers, rode him, arranged a vet check and even looked at other horses. I did all the prudent things a buyer is supposed to do. But there never really was any doubt. And I have never looked back. Our first show was several weeks later, and we got the Amateur All-Around, as well as AQHA points. Since then, we have earned the AQHA Amateur Performance Horse Championship, 5 Superiors, and more than 425 points. Currently, we are 4th in AQHA Select Showmanship points. It's been a great ride. He has taken me places I never before dreamed, winning classes and AQHA points in nine different states and Canada.

Saddle Up and Ride!!

NDQHA Ride 2000 Highlights

On June 10th, 2000 over 100 riders experienced the rugged beauty of the majestic North Dakota Badlands. The 4th annual "Ride 2000", sponsored by AQHA, GMC, Sooner Trailers, and the NDQHA was held at Sully Creek State Park, just 3 miles south of Medora, ND.

Riders "Discovered the Freedom" and relaxed while visiting with new and old friends. The day started with a real "Cowboy Breakfast" cooked over an open fire. Trail Boss, Doug Vesey, then rounded 'em up and headed 'em out on an authentic old west trail ride. Some riders even rounded up some lost cattle for a local rancher and herded them along until we reached their pasture gate. Halfway through the ride, cool drinks and healthy snacks were served while horses rested and riders stretched their legs.

Evening activities began with steaks on the grill all the fix'ns. A day in the saddle would not be complete without one of the oldest social events held in rural ND.....A Branding!!..... NO, not calves, just cedar shingles! John Vissor, Jamestown, ND fired up his forge and riders gathered

Our first North Dakota show was a cold, snowy October in Valley City, when I accompanied a friend who was hauling for the AQHA Honor Roll. I have been back to North Dakota regularly for several years now, cementing friendships, sharpening my competitive skills, and having a ball. The people of NDQHA and NDAQHA are marvelously talented, enthusiastic, knowledgeable, hardworking and fun loving. I am proud to call you friends.

Chet and I qualified for the World Show in Amateur Western Riding and Amateur Trail for several years. I enjoy being a solo driver, lone braid binder, chief pooper-scooper, entry card filler-outer, and exhibitor. Chet's best friend, Roy (Ultimate Royal) rode along for a couple of years, earning AQHA Honor Roll Senior Hunter Under Saddle—9th Place, as well as Superiors in Amateur and Open Hunter Under Saddle and qualifying for the World in both Open and Amateur. All the details of showing two horses started to be more work than fun, and I made the difficult choice to sell Roy. He left me for Arizona in June. I am now enjoying only one equine dependent, just like it is a vacation.

Chet showed signs of major discomfort in October at Valley City. We trailered directly to Lake Region Veterinary Clinic in Elbow Lake, MN, for colic surgery by Dr. Ken Greiner and a magnificently qualified staff. Two softball-sized enteroliths (think river rocks for texture, shape and weight) had formed, blocking Chet's intestines. After serious complications, the doctors got Chet back on the road to health. As I write, Chet is roaring back, ready to show again.

Thank you to Tom, my husband, for supporting, enabling, and encouraging my horse habit quietly and firmly from the background. He does come to a few shows with me, and is never more than a phone call away, no matter how far and wide I travel. Thank you to all the North Dakota people who have been so great to me. You have taken me into your hearts and homes, you have greeted me at shows in other states, you have e-mailed kind words and encouraging stories when Chet got sick. You are the greatest!

around to put their talents to work. Each ride participant left with a shingle branded with "AQHA Ride 2000" to hang up and enjoy. Fun was had by all. Visit the NDQHA web page to see photos of the ride.
